Hi!

Sending this out

Who are these people gathered here

We are St John

Our history

From Jerusalem

Our authority from heaven

Comes from the Lion of England

The strength of our people

Comes from the land here where they grew

Our most noble cause

To look after people

No matter who or where

Stand ready, stand ready

Always be ready

To be the first to care

Always be ready

Faith is my strength

Our unity is my strength

Let it be this way forever.
